

Arizona State University Criteria Checklist for

CULTURAL DIVERSITY IN THE UNITED STATES [C]

Rationale and Objectives

The contemporary "culture" of the United States involves the complex interplay of many different cultures that exist side by side in various states of harmony and conflict. The history of the United States involves the experiences not only of different groups of European immigrants and their descendants but also of diverse groups of American Indians, Hispanic Americans, African Americans, and Asian Americans--all of whom played significant roles in the development of contemporary culture and together shape the future of the United States. At the same time, the recognition that gender, class, and religious differences cut across all distinctions of race and ethnicity offers an even richer variety of perspectives from which to view ourselves. Awareness of our cultural diversity and its multiple sources can illuminate our collective past, present, and future and can help us to achieve greater mutual understanding and respect.

The objective of the Cultural Diversity requirement is to promote awareness and appreciation of cultural diversity within the contemporary United States through the study of the cultural, social, or scientific contributions of women and minority groups, examination of their experiences in the U.S., or exploration of successful or unsuccessful interactions between and among cultural groups.

Proposer: Please complete the following section and attach appropriate documentation.

ASU--[C] CRITERIA			
CULTURAL DIVERSITY IN THE UNITED STATES			
YES	NO		Identify Documentation Submitted
		1. A Cultural Diversity course must meet the following general criteria:	
<input type="checkbox"/>	<input type="checkbox"/>	The course must contribute to an understanding of cultural diversity in contemporary U.S. Society.	
		2. A Cultural Diversity course must then meet at least one of the following specific criteria:	
<input type="checkbox"/>	<input type="checkbox"/>	a. The course is an in-depth study of culture-specific elements, cultural experiences, or cultural contributions (in areas such as education, history, language, literature, art, music, science, politics, work, religion, and philosophy) of gender*, racial, ethnic and/or linguistic minority groups** within the United States.	
<input type="checkbox"/>	<input type="checkbox"/>	b. The course is primarily a comparative study of the diverse cultural contributions, experiences, or world views of two or more gender*, racial, ethnic and/or linguistic minority groups** within the United States.	
<input type="checkbox"/>	<input type="checkbox"/>	c.
