

Credit by Exam - Comparison of 2013-2016 Exam Changes

The Credit by Examination process involves several teams. Here is a quick glimpse into the process and the teams involved: Our faculty determine equivalencies to ASU courses, Transfer Systems Development (TSD) manages the [Academic Catalog](#) and [Transfer Credit Guide](#) (TCG) that outlines the policies and equivalencies, and Courses (Registrar's Office) maintains the information in PeopleSoft and is responsible for posting equivalencies on students' records.

Exam Changes

The following details if there was a change made to an exam equivalency for the listed catalog year. To view specific changes, please visit the [Transfer Credit Guide](#) (TCG) and select "Search Credit by Exam" on the upper left corner, Select the test type, test name and the **date the exam was taken**. This will display the equivalency for that year.
