

This template is to be used for proposed name changes included on the Academic Plan and for which the unit has received specific written approval from the Provost's office to proceed with internal proposal development and review. A separate proposal must be submitted for each individual name change. The proposal template should be completed and submitted by the Dean's Office to the University Provost's Office [[mailto: curriculumplanning@asu.edu](mailto:curriculumplanning@asu.edu)]. The name change **may not** be implemented until the Provost's Office notifies the academic unit that the name change proposal has completed the approval process.

Name of existing program: Bachelor of Liberal Studies

Proposed new name: Bachelor of Arts in Liberal Studies

Program type: Undergraduate Degree

If graduate/undergraduate degree or concentration is selected, indicate degree type and major (e.g., BA, MBA, PhD)
BA in Liberal Studies

Plan code(s) for the program:

If this is a degree program that has multiple concentrations, list all plan codes impacted.

LABLSBLS

Requested effective date: 2015-16

Select the catalog year for which students can begin applying into this program with the new name.

Note:

1. Name changes can only be implemented so as to be effective for a fall semester.
2. All existing and continuing students will be moved to the new name.
3. Students who complete the degree requirements prior to the fall effective date graduate under the old name.

Briefly describe the proposed change and rationale for the change:

The "BLS" nomenclature is sometimes confusing to our incoming students and often unfamiliar to the prospective employers of our graduates. The BA will be less confusing and more universally understood. The name change is expected to boost enrollments and be a positive change for continuing students

Discuss the impact of this change on current students and/or enrollment:

There will be no change in the degree requirements or the plan code in order to maintain the continuity of historical records for the degree program. Only the name of the degree will change effective for student who graduate beginning fall 2015. Continuing students will be notified of the impending name change beginning fall 2014.

Good evening, Duane!

I have heard back from all but one committee member, and we have unanimously voted to approve the name changes for the three degrees (Bachelor of Interdisciplinary Studies will become BA in Interdisciplinary Studies, Bachelor of Liberal Studies will become BA in Liberal Studies, Bachelor of General Studies will become BA in General Studies). We agree that the name changes will benefit students and the degree programs; we do not foresee any negative consequences in changing the name. Please let us know if you have any other questions.

Best,
~K

Okay, Duane--I will set this up for a vote this evening and will hope that we can get a majority vote in by Monday or Tuesday. I don't foresee any problems other than members not checking their e-mail over the weekend.

Best,
~K

Subject: Program name changes

Hi Duane,

We received approval today from ABOR President Klein to proceed with renaming the BGS, BIS and BLS. You may proceed with completing and submitting for each name change the [Proposal to Change the Name of an Academic Program](#) available from the [Provost's Office – University Curriculum Support Services](#) web pages – [Academic Programs link](#). The proposals should complete the appropriate internal school review. Following approval by your office, the proposals may be forwarded to curriculumplanning@asu.edu for university level review.

Please use the same language in the proposals that we used in our request to ABOR (BGS example):

The "BGS" degree nomenclature is sometimes confusing to our incoming students and often unfamiliar to the prospective employers of our graduates. The BA will be less confusing and more universally understood. The name change is expected to boost enrollments and be a positive change for continuing students.

There will be no changes in the degree requirements or the plan code in order to maintain the continuity of historical records for this degree program. Only the name of the degree will change effective for students who graduate beginning in fall 2015. Continuing students will be notified of the impending name change beginning fall 2014.

Let me know if you have questions.
