PROPOSAL TO DISESTABLISH AN ACADEMIC PROGRAM (Degree, concentration, certificate, minor)

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Provost's office to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean's Office to the University Provost's Office [mailto: curriculumplanning@asu.edu]. The disestablishment **may not** be implemented until the Provost's Office notifies the academic unit that the disestablishment proposal has completed the approval process.

UNIT AND PROGRAM INFORMATION

College/School/Institute: College of Technology and Innovation

Department/Division/School: Engineering

**Name program to be disestablished:** BS Computer Systems

Proposal Contact			
Name:	Scott Danielson	**Title:**	Associate Dean for Academic Programs
Phone number:	7-1185	**Email:**	sdanielson@asu.edu

DEAN APPROVAL(S)
This proposal has been approved by all necessary unit and College/School levels of review. I recommend implementation of the proposed organizational change.

College/School/Division Dean name: Dr. Scott Danielson as designee for Dean Mitzi Montoya

Signature _(signature)_ **Date:** 9/11/2013

College/School/Division Dean name:
(if more than one college involved)

Signature **Date:** / /20

Note: An electronic signature, an email from the dean or dean's designee, or a PDF of the signed signature page is acceptable.

Implementation information: Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation "This program is no longer accepting applications," until the approved effective date of the disestablishment.

PROPOSAL TO DISESTABLISH AN ACADEMIC PROGRAM
(Degree, concentration, certificate, minor)

Name of program to be disestablished: BS Computer Systems
Plan code(s) for the program: *If a degree program is being disestablished that has multiple concentrations, list all plan codes impacted.*   TSCSTHBS, TSCSTMBS
Requested effective catalog year for the disestablishment: 2014-15

Program Type	Degree Level	
☒ Degree/major Degree type (e.g., BA, MBA, PhD): BS	☒ Undergraduate	☐ Graduate
☐ Concentration for an existing degree program Degree and major:	☐ Undergraduate	☐ Graduate
☐ Minor		
☐ Certificate program	☐ Undergraduate	☐ Graduate

Briefly describe the rationale for disestablishment:
This degree was closed to new enrollment effective Spring 14 with Provost approval. This disestablishment proposal will remove it from the system after students have completed the program.

Impact on other existing programs:
May include availability of course content for students in other majors who may need it; other.
None expected. Other majors that may need related content have it available via the BS in Software Engineering or the BS Information Technology.

Impact on current students:
Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are forty-five students enrolled in the program, five of whom are freshman in the Computer Hardware Technology concentration. The department advisors will work with each student to determine a degree completion plan. Students will have access to content needed to complete their program available through the BS in Software Engineering or the BS Information Technology, both active degree plans. Or they may also elect to pursue one of these newer programs. The last anticipated graduation would be Spring 2017.

This program does not have a MAPP, TAG or other transfer partnership agreement.

Additional information:
Provide any relevant information not required above that will assist in evaluating the proposal.
