

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Provost's office to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean's Office to the University Provost's Office [mailto: curriculumplanning@asu.edu]. The disestablishment **may not** be implemented until the Provost's Office notifies the academic unit that the disestablishment proposal has completed the approval process.

**PROPOSAL TO DISESTABLISH AN ACADEMIC PROGRAM
(Degree, concentration, certificate, minor)**

Name of program to be disestablished: MS Tech in Technology (Electronic Systems Engineering Technology)		
Plan code(s) for the program: <i>If a degree program is being disestablished that has multiple concentrations, list all plan codes impacted.</i> TSSYMSTECH		
Requested effective catalog year for the disestablishment: 2014-15		
	Program Type	
	Degree Level	
<input type="checkbox"/> Degree/major Degree type (e.g., BA, MBA, PhD):	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate
<input checked="" type="checkbox"/> Concentration for an existing degree program Degree and major: MS TECH	<input type="checkbox"/> Undergraduate	<input checked="" type="checkbox"/> Graduate
<input type="checkbox"/> Minor		
<input type="checkbox"/> Certificate program	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate

Briefly describe the rationale for disestablishment:

This degree concentration was closed to new enrollment effective Spring 14 with Provost approval. This disestablishment proposal will complete the process of disestablishment.

Impact on other existing programs:

May include availability of course content for students in other majors who may need it; other.
None expected. Other majors that may need related content have it available via the MS in Engineering (an active degree plan) or the MS Manufacturing Engineering (pending Senate approval).

Impact on current students:

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are nine students enrolled in the program. The department will work with each student to determine a degree completion plan. Students will have access to content needed to complete their program available through the MS in Engineering, an active degree plan, or through the MS Manufacturing Engineering which is pending Senate approval. The last anticipated graduation term (per iPOS data) is spring 2014.
