

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Provost's office to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean's Office to the University Provost's Office [mailto: curriculumplanning@asu.edu]. The disestablishment **may not** be implemented until the Provost's Office notifies the academic unit that the disestablishment proposal has completed the approval process.

**PROPOSAL TO DISESTABLISH AN ACADEMIC PROGRAM  
(Degree, concentration, certificate, minor)**

MS Tech in Technology (Global Technology and Development)		
<b>Plan code(s) for the program:</b> <i>If a degree program is being disestablished that has multiple concentrations, list all plan codes impacted.</i> <b>TSGTMSTECH</b>		
<b>Requested effective catalog year for the disestablishment:</b> 2014-15		
Program Type	Degree Level	
<input type="checkbox"/> Degree/major Degree type (e.g., BA, MBA, PhD):	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate
<input checked="" type="checkbox"/> Concentration for an existing degree program Degree and major: MS TECH	<input type="checkbox"/> Undergraduate	<input checked="" type="checkbox"/> Graduate
<input type="checkbox"/> Minor		
<input type="checkbox"/> Certificate program	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate

**Briefly describe the rationale for disestablishment:**

This degree concentration was essentially closed (enrollment ceased) several years ago when the faculty supporting it left the CTI to Letters and Sciences. A MS program using the same name but with a different plan code has been established by Letters and Sciences. At that time, programs could be closed to new enrollment but the formal filing of disestablishment proposals was not required. Thus, this this disestablishment proposal will remove the plan code from the system.

**Impact on other existing programs:**

May include availability of course content for students in other majors who may need it; other.

None expected since a similar program is offered by Letters and Sciences at the downtown campus.

**Impact on current students:**

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are still seven students enrolled in the CTI plan code. Current students will be allowed to complete. However, since enrollment to the CTI program was stopped several years ago, these students should complete the program by Spring 2015.
