Briefly describe the proposed change and rationale for the change:

The certificate is associated with a national organization, the Nonprofit Leadership Alliance, that has changed the name of the program. We are changing the name of the certificate in accordance with the NLA name change. The name is also more descriptive of the content of the certificate.

Discuss the impact of this change on current students and/or enrollment:

No impact on current students, but because the name is more descriptive of the certificate content it may enhance enrollment
