Briefly describe the proposed change and rationale for the change:

We are requesting the name of the minor in Nonprofit Administration be changed to Nonprofit Leadership and Management. We feel the new name is a better description of the content of the minor with its leadership and management focus. It is reflective of current terminology in the field which has moved away from "administration" and is most often using the term "management." It is also consistent with the name of the major (also Nonprofit Leadership and Management) and therefore less confusing to students who are looking for the minor.

Discuss the impact of this change on current students and/or enrollment:

There will be no impact on current students, but may enhance enrollment given the more current, relevant and desirable name.
