Briefly describe the rationale for disestablishment:

These programs have been closed for admission for one plus years. Due to the reorganization we have consolidated programs to maximize our recruitment efforts strategically.

Impact on other existing programs:

May include availability of course content for students in other majors who may need it; other.

There is no impact on existing programs as we have programs in each of these areas still for students to receive their degree.

Impact on current students:

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are currently no students enrolled in these programs.

Provide any relevant information not required above that will assist in evaluating the proposal.
