This proposal template should be completed and submitted by the Dean's Office to the University Provost's Office [[mailto: curriculumplanning@asu.edu](mailto:curriculumplanning@asu.edu)]. **Briefly describe the rationale for disestablishment:**

These programs have been closed for admission for one plus years. Due to the reorganization we have consolidated programs to maximize our recruitment efforts strategically.

**Impact on other existing programs:**

May include availability of course content for students in other majors who may need it; other.

There is no impact on existing programs as we have programs in each of these areas still for students to receive their degree.

**Impact on current students:**

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are currently no students enrolled in these programs with the exception of EIMATHMED. The student in this plan code will need to graduate by Fall 2014 so we would like to disestablish this program in Spring 2015.

**Additional information:**

Provide any relevant information not required above that will assist in evaluating the proposal.

There is one student in the EIMATHMED plan code. This student is in applied project for Spring 14 and has a graduation deadline of Fall 14. We would like to disestablish this one in Spring 2015 to give this one student time to graduate.
