(Degree, concentration, minor or certificate)

Names of program to be disestablished: Eleven concentrations under the MEd in Curriculum and Instruction degree program:

1) Bilingual Education, 2) Indian Education, 3) Language and Literacy, 4) Professional Studies, 5) and 6) Science Education (two different plan codes), 7) Secondary Education, 8) Social Studies Education, 9) Early Childhood Education, 10) English as a Second Language, and 11) Instructional Media (K-12 School-age)

Plan code(s) for the program (If a degree program is being disestablished that has multiple concentrations, list all plan codes impacted): EDBILINMED, EDINDMED, EDSCIMED, EDSECONMED, EDSOCSTMED, ECPROSTMED, EISCIMED, EIEDCMED, EDLANGMED, ECESLMED, ECMEDIAMED

Projected effective term: Fall and year: 2012

Check type of program to be disestablished:

Table with 2 main columns: Program Type and Degree Type. Rows include Degree/major, Concentration for an existing degree program, Minor, and Certificate program.

Briefly describe the rationale for disestablishment:

Due to reorganization and merger of programs from the former Mary Lou Fulton Institute and Graduate School of Education, these concentrations are duplicative of other programs in the College.

Impact on other existing programs: Could include availability of course content for students in other majors who may need it; other.

No impact, courses are being offered for other concentrations. So we are still offering most of the courses.
