Briefly describe the proposed change and rationale for the change:

The name change to Educational Leadership more aptly describes the comprehensive scope of the program of study which is to develop principal, teacher and superintendent leaders in the educational environment. Furthermore, the change aligns with the name of the Department and is more universally recognizable for marketing and recruiting purposes.

Impact on current students:

Students in current program will be emailed the week of May 14, 2012 that the name will be changing in this program. They will be informed that if they graduate by Summer 2013 their degree concentration will be Educational Administration and Supervision and if they graduate after it will be Educational Leadership.

Cover Sheet with Dean's Approval must be accompanied with this form.
