(Degree, concentration, certificate, minor)**

This proposal template should be completed in full and submitted to the University Provost's Academic Council [<mailto:curriculumplanning@asu.edu>]. n/a

Name of existing program: PhD in Curriculum and Instruction

Proposed name change to: PhD in Learning, Literacies and Technologies

Plan code(s) for the program (If a degree program is being disestablished that has multiple concentrations, list all plan codes impacted): Please note that the PhD in Curriculum and Instruction currently has an inactive plan code (EDCIPHD). The academic unit would like to reactivate that plan code for the PhD in Learning, Literacies and Technologies degree.

Projected effective term and year: Fall 2013

Briefly describe the proposed change and rationale for the change:

The proposed rename more accurately describes the new direction for this degree program moving forward.

Impact on current students:

There will be no impact on current students because no students are currently enrolled in the standalone degree program. Students currently enrolled in the concentrations under the PhD in Curriculum and Instruction, utilize separate distinct plan codes for each individual concentration and will be allowed to graduate under their existing concentration and degree program.

Cover Sheet with Dean's Approval must be accompanied with this form.
