**ARIZONA STATE UNIVERSITY
PROPOSAL TO DISESTABLISH AN ACADEMIC PROGRAM
(Degree, concentration, minor or certificate)**

Name of program to be disestablished: Consultation and Collaboration Concentration under the M.Ed. in Special Education (TESECCMED)

Plan code(s) for the program (If a degree program is being disestablished that has multiple concentrations, list all plan codes impacted): TESECCMED

Projected effective term: Summer and year: 2014

Check type of program to be disestablished:

Program Type (Please mark one; submit a separate form for each program to be disestablished)	Degree Type (Please mark one; submit a separate form for each program to be disestablished)	
<input type="checkbox"/> Degree/major Please indicate degree type (e.g., BA, BA/BS, PhD):	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate
<input checked="" type="checkbox"/> Concentration for an existing degree program Please indicate degree/major: MEd in Special Education	<input type="checkbox"/> Undergraduate	<input checked="" type="checkbox"/> Graduate
<input type="checkbox"/> Minor		
<input type="checkbox"/> Certificate program	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate

Briefly describe the rationale for disestablishment:

Due to reorganization and merger of programs from the former Mary Lou Fulton Institute and Graduate School of Education, this concentration is duplicative of other programs in the College.

Impact on other existing programs: Could include availability of course content for students in other majors who may need it; other.

As there are equivalent courses and other degree choices, there is no impact.

Impact on current students: Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (ex. MAPP, TAG).

In the Consultation and Collaboration concentration, there are 90 students in the online Autism area. New admits to the Autism classes are admitted into the Teaching and Learning concentration (EDDCIMED), under the MEd in Curriculum and Instruction, which is a better fit. The same classes are available, and the 90 current students should not notice any difference in their programs. Per the Graduate Degree Progress dashboard current students in the soon-to-be disestablished concentration should be finished by Summer 2014.

Additional information: Provide any relevant information not required above that will assist in evaluating the proposal.
