

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Provost's office to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean's Office to the University Provost's Office [mailto: curriculumplanning@asu.edu]. The disestablishment **may not** be implemented until the Provost's Office notifies the academic unit that the disestablishment proposal has completed the approval process.

**Briefly describe the rationale for disestablishment:**

This minor is redundant. We have an economics minor that can be tailored to accomplish the same thing as the economics/law minor.

**Impact on other existing programs:**

May include availability of course content for students in other majors who may need it; other.  
None

**Impact on current students:**

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).  
None. Students can do the economics minor.
