Briefly describe the proposed change and rationale for the change:
National certification for this degree concentration is Family Psychiatric and Mental Health Nurse Practitioner. We are requesting the name change to mirror national certification. There currently is no certification for Child/Family Psychiatric Mental Health Nurse Practitioner.

Impact on current students: This change would benefit all students when they test for national certification. It will allow them to sit for the correct exam without having to offer additional documentation regarding their degree program and curriculum content.

Cover Sheet with Dean’s Approval must be accompanied with this form.
