

Ira A. Fulton Schools of Engineering – Curriculum Committee and Dean Approval

The attached proposals for program name changes have received Ira A. Fulton Schools of Engineering Curriculum Committee support and Dean's approval. We request that the appropriate university-level committee(s) consider these proposals.

- BS in Construction – rename major to Construction Management
- BSE in Bioengineering – rename major to Biomedical Engineering
- MS in Civil and Environmental Engineering – rename major to Civil, Environmental and Sustainable Engineering
- MSE in Civil and Environmental Engineering – rename major to Civil, Environmental and Sustainable Engineering
- PhD in Civil and Environmental Engineering – rename major to Civil, Environmental and Sustainable Engineering
- MS in Bioengineering – rename major to Biomedical Engineering
- PhD in Bioengineering – rename major to Biomedical Engineering
- MS in Construction - rename major to Construction Management
- PhD in Construction - rename major to Construction Management

If you need additional information, please let me know.

Ann Zell

Assistant Dean, Academic Administration
Ira A. Fulton Schools of Engineering at Arizona State University

ARIZONA STATE UNIVERSITY
PROPOSAL TO CHANGE THE NAME OF AN ACADEMIC PROGRAM

This proposal template should be completed in full and submitted to the University Provost's Academic Council [<mailto:curriculum@asu.edu>]. It must undergo all internal university review and approval steps including those at the unit, college/school, and university levels.

A proposed academic program name change that was not included on the approved Academic Plan must also be approved by the Executive Director of ABOR. The program name change **may not** be implemented until the Provost's Office notifies the academic unit that the name change has completed the approval.

PROGRAM INFORMATION

Name of existing program: Master of Science (MS) in Bioengineering

Proposed name change to: Master of Science (MS) in Biomedical Engineering

Plan Code: ES BIOENMS

PROPOSAL CONTACT INFORMATION

(Person to contact regarding this proposal)

Name: Brent Vernon

Title: Graduate Program Chair, Assoc. Prof.

Phone: 480.965.0929

email: brent.vernon@asu.edu

DEAN APPROVAL

This proposal has been approved by all necessary unit and College/School levels of review. I recommend implementation of the proposed name change. (Note: An electronic signature, an email from the dean or dean's designee, or a PDF of the signed signature page is acceptable.)

College/School Dean name: Deirdre R. Meldrum, Dean

College/School Dean signature  Date: 3/11/10
Paul C. Johnson, Executive Dean

Graduate College Dean name: Filiz Ozel for Maria T. Allison

College/School Dean signature  Date: 3/16/10
(if more than one college/school involved)

College/School Dean name:

College/School Dean signature _____ Date: _____
(if more than one college/school involved)

**ARIZONA STATE UNIVERSITY
PROPOSAL TO CHANGE THE NAME OF AN ACADEMIC PROGRAM**

This proposal template should be completed in full and submitted to the University Provost's Academic Council [<mailto:curriculum@asu.edu>]. It must undergo all internal university review and approval steps including those at the unit, college/school, and university levels.

A proposed academic program name change that was not included on the approved Academic Plan must also be approved by the Executive Director of ABOR. The program name change **may not** be implemented until the Provost's Office notifies the academic unit that the name change has completed the approval.

PROGRAM INFORMATION

College/School: Ira A. Fulton Schools of Engineering

Division/School and/or Department: School of Biological and Health Systems Engineering

If this is a joint degree (i.e. offered by more than one department or college) list all the additional units and college/schools that offer the degree program. Note: All units offering this program must have collaborated in the proposal development and completed the appropriate unit and college/school approvals.

Name of existing program: Master of Science (MS) in Bioengineering

Proposed name change to: Master of Science (MS) in Biomedical Engineering

Projected effective term: Fall and year: 2010

Check type of program to which the name change will apply:

Program Type (Please mark one; submit a separate form for each program requesting the change)	Degree Type (Please mark one; submit a separate form for each program requesting the change)	
<input checked="" type="checkbox"/> Degree/major Please indicate all degrees impacted (e.g., BA, BA/BS, PhD): MS	<input type="checkbox"/> Undergraduate	<input checked="" type="checkbox"/> Graduate
<input type="checkbox"/> Concentration for an existing degree program Please indicate degree/major:	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate
<input type="checkbox"/> Minor		
<input type="checkbox"/> Certificate program	<input type="checkbox"/> Undergraduate	<input type="checkbox"/> Graduate

Briefly describe the proposed change and rationale for the change:

The name is more in alignment with the expertise and courses offered through the new School of Biological and Health Systems Engineering.

Impact on current students: In general, all students with a "catalog year" for the program prior to the effective date will maintain the current Bioengineering major regardless of when they complete the requirements. If a current student wants to have the new Biomedical Engineering major for their program, they may change their catalog year/program code to align with the date of the major name change.

The change will have no impact on current students.
