Dear Dean Langland:

Thank you so much for submitting the impact statement to me and for supporting the proposal for BA major in Jewish Studies. As you probably know, Professor Martin Matustik is a member of the Center for Jewish Studies and this semester we had a joint program that featured Dr. Alon Segev, a Visiting Scholar at the Center. I will continue to work with Dr. Matustik on future events. In terms of courses, I will gladly add the courses you have listed below to our course list in Jewish Studies.

I look forward to meeting you.

With best wishes,

Hava Tirosh-Samuelson

Dear Professor Tirosh-Samuelson:

New College is pleased to support your proposal for a Jewish Studies major. It dovetails nicely with programs in New College.

Faculty on the West campus are currently involved with the program, as you know, and would like you generally to consider including courses and faculty in Religion & Applied Ethics Studies (RAES), Philosophy (PHI), and Philosophy, Rhetoric and Literature (PRL), as appropriate. We also ask that you consider adding the following courses to the coursebank: IAS 430 Science and Religion, HST 454 History of Genocide, and REL 494 POST-Holocaust Ethics.

Many thanks,  
Elizabeth Langland  
Dean, New College of Interdisciplinary Arts and Sciences

Dear Dean Langland:

Here is the revised proposal for the Jewish Studies Major that Dean Debora Losse forwarded to CPAC. This version will be discussed in the meeting on April 8. I very much hope that you will be able to submit to me your impact statement by April 7 at the latest. Without your impact statement the committee will not consider the proposal.

I truly appreciate your cooperation and support.

With best wishes,

Hava Tirosh-Samuelson
