ARIZONA STATE UNIVERSITY
PROPOSAL TO CHANGE THE NAME OF AN ACADEMIC UNIT

This proposal template should be completed in full and submitted to the University Provost’s Academic Council [mailto:curriculum@asu.edu]. It must undergo all internal university review and approval steps including those at the unit, college/school, and university levels.

A proposed academic unit name change that was not included on the approved Academic Plan must also be approved by the Executive Director of ABOR. The name change may not be implemented until the Provost’s Office notifies the academic unit that the name change has completed the approval process.

ACADEMIC UNIT INFORMATION

College/School: School of Educational Innovation and Teacher Preparation

Division/School (if applicable):

Name of existing unit: Department of Physical Education

Proposed name change to: Department of Secondary and Physical Education

Projected effective term: Fall year: 2008

Briefly describe the proposed change and rationale for the change:
The Department of Secondary and Physical Education will include the undergraduate and graduate Mathematics, Science, and Secondary Education (including Physical Education) degree programs. All of these programs have coursework that leads to Secondary Education certification; as well as career development for current educators and research.

Discuss the impact of this change on current students and/or enrollment: All students from the current department will remain in the new department, so there would be no change other than the name. The grouping of related academic degrees will allow collaboration among degree programs and increase enrollment.
