Upon request by the Dean’s Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation “This program is no longer accepting applications,” until the approved effective date of the disestablishment.

Requested effective date: 2016-17
Select the catalog year for which students can begin applying into this program with the new name.

Note:
1. Name changes can only be implemented so as to be effective for a fall semester.
2. All existing and continuing students will be moved to the new name.
3. Students who complete the degree requirements prior to the fall effective date graduate under the old name.

Briefly describe the rationale for disestablishment:
With Thunderbird joining ASU, the undergraduate Global Leadership program fits better within the Thunderbird School. Therefore, W. P. Carey will disestablish its concentration in Global Leadership.

Impact on other existing programs:
May include availability of course content for students in other majors who may need it; other.

The W. P. Carey School of Business will continue to offer its business skills and core courses for BA programs offered at the West Campus.
Impact on current students:
Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

287 students are currently enrolled in the program at a level of sophmore and above. Current students will be able to complete the program with the current requirements through Spring 2019. Alternately, students may transfer into the Bachelor's of Global Management program.

Applications:
What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program.

Immediately upon approval
