

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Office of the University Provost to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean's Office to the Office of the University Provost [<mailto:curriculumplanning@asu.edu>]. The disestablishment **may not** be implemented until the Office of the University Provost notifies the academic unit that the disestablishment proposal has completed the approval process.

Implementation information: Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation "This program is no longer accepting applications," until the approved effective date of the disestablishment.

Requested effective date: 2016-17

Select the catalog year for which students can begin applying into this program with the new name.

Note:

1. Name changes can only be implemented so as to be effective for a fall semester.
2. All existing and continuing students will be moved to the new name.
3. Students who complete the degree requirements prior to the fall effective date graduate under the old name.

Briefly describe the rationale for disestablishment:

The School of Arts Media and Engineering now has a Master's program (Master of Arts in Digital Culture) and this concentration is no longer needed.

Impact on other existing programs:

May include availability of course content for students in other majors who may need it; other,

None anticipated

Impact on current students:

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are no current students enrolled in this concentration.

Applications:

What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program.

Immediately upon approval

Current applicants:

Describe actions that will be taken regarding admitted students or students who have applied to this program? If current applicants should be moved to a new program, please indicate the plan code of that program.

There are no current applicants to the concentration.

Additional information:

Provide any relevant information not required above that will assist in evaluating the proposal.
