

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Office of the University Provost to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean's Office to the Office of the University Provost [mailto:curriculumplanning@asu.edu]. The disestablishment **may not** be implemented until the Office of the University Provost notifies the academic unit that the disestablishment proposal has completed the approval process.

**Degree Type:** BS-Bachelor of Science *If other specify*

**Name:** Industrial and Organizational Psychology **Concentration (if applicable)** ( )

**Plan code(s) for the program:**

If this is a degree program that has multiple concentrations, list all program names and plan codes impacted. ECPSYBS

**Implementation information:** Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation "This program is no longer accepting applications," until the approved effective date of the disestablishment.

**Requested effective date:** 2016-17

**Briefly describe the rationale for disestablishment:**

This program will be transitioning to the newly established BS in Human Systems Engineering program which more accurately reflects the nature of the degree

**Impact on other existing programs:**

May include availability of course content for students in other majors who may need it; other.

Students currently enrolled in the program will be allowed to remain in the program and graduate or transition to the new BS in Human Systems Engineering program.

**Impact on current students:**

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are 64 students currently enrolled in the program. These students will be allowed to remain in the program or transition to BS in Human Systems Engineering program. The MAPP and TAG programs have been developed for the BS in Human Systems Engineering program. Additionally, we have contacted the students in the MAPP/TAG pipeline regarding this change. We will be meeting with students currently enrolled in the BS in Industrial and Organization Psychology program at the end of March to talk with them about their options.

**Applications:**

What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program. Summer 2016

**Current applicants:**

Describe actions that will be taken regarding admitted students or students who have applied to this program? If current applicants should be moved to a new program, please indicate the plan code of that program.

Summer/Fall 2016 incoming students should be moved to BS in Human Systems Engineering program.

**Additional information:**

Provide any relevant information not required above that will assist in evaluating the proposal.

**DEAN APPROVAL(S)**

This proposal has been approved by all necessary unit and College/School levels of review. I recommend implementation of the proposed organizational change.
