

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Office of the University Provost to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean’s Office to the Office of the University Provost [<mailto:curriculumplanning@asu.edu>]. The disestablishment **may not** be implemented until the Office of the University Provost notifies the academic unit that the disestablishment proposal has completed the approval process.

 ASAMSBA

Implementation information: Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation “This program is no longer accepting applications,” until the approved effective date of the disestablishment.

Requested effective date: 2016-17

Briefly describe the rationale for disestablishment:

We propose to disestablish the American Studies Bachelor of Arts degree program. The Social and Cultural Analysis BA (effective Fall 2015) was developed to be the umbrella degree for three BA programs - American Studies; Ethnicity, Race and First Nations Studies; Women and Gender Studies - that will become concentrations in the new degree.

Impact on other existing programs:

May include availability of course content for students in other majors who may need it; other.

As this degree is being disestablished in favor of an umbrella degree with multiple concentrations, there is no impact upon existing courses or program.

Impact on current students:

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

American Studies BA students will continue as such and graduate with AMS BA degrees. There are 11 American Studies BA students enrolled 8/24/2015, per University Office of Institutional Analysis.

Applications:

What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program.

Immediately upon approval.

Current applicants:

Describe actions that will be taken regarding admitted students or students who have applied to this program? If current applicants should be moved to a new program, please indicate the plan code of that program.

Unit will advise these students into the American studies concentration in the Social and Cultural Analysis BA.

Additional information:

Provide any relevant information not required above that will assist in evaluating the proposal.
