Implementation information: Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation “This program is no longer accepting applications,” until the approved effective date of the disestablishment.

Requested effective date: 2017-18

Briefly describe the rationale for disestablishment:
This long dormant concentration has no students enrolled, and should be disestablished along with the parent degree and only active concentration (Design Management). Full disestablishment of this degree will allow us to guide students into the The Design School, increasing retention and providing a better experience.

Impact on other existing programs:
May include availability of course content for students in other majors who may need it; other.
None. Degree program has been long dormant.
Impact on current students:
Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).
None.

Applications:
What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program.
Immediately upon approval

Current applicants:
