PROPOSAL TO DISESTABLISH AN ACADEMIC PROGRAM (Degree, concentration, certificate, minor)

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Office of the University Provost to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean's Office to the Office of the University Provost [mailto: curriculumplanning@asu.edu]. The disestablishment may not be implemented until the Office of the University Provost notifies the academic unit that the disestablishment proposal has completed the approval process.

Implementation information: Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation “This program is no longer accepting applications,” until the approved effective date of the disestablishment.

Requested effective date: 2018-19

Briefly describe the rationale for disestablishment:

The School of International Letters and Cultures faculty member who established the certificate and instructed one of the core courses has retired. There is no one in the School of International Letters and Cultures who can teach the course, which is an ECN course housed in the W. P. Carey School of Business. To accommodate students' interests, the school is proposing a new certificate in European Studies.

Impact on other existing programs:

May include availability of course content for students in other majors who may need it; other.

NO
Impact on current students:
Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

On the approved Academic Plan request, there were two students in the program. One student has since withdrawn from the program. Currently, only one student enrolled is projected to graduate in December 2017. The student needs only one more core course, but since none of the core courses will be offered in the fall 2017 semester, a DARS exception will be applied (SLC 429 - Staging Politics in Modern Europe).

Applications:
What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program.

Immediately

Current applicants:
Describe actions that will be taken regarding admitted students or students who have applied to this program? If current applicants should be moved to a new program, please indicate the plan code of that program.

Any student still in the program will be able to complete the courses required for the certificate. Otherwise, students can transfer to the newly proposed European Studies Certificate, with the DARS exception above.

Additional information:
Provide any relevant information not required above that will assist in evaluating the proposal.

Since the establishment of the certificate program in 2012, the core courses for this certificate were offered only one time resulting in the necessity of DARS exceptions for the core courses.
