Implementation information: Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation “This program is no longer accepting applications,” until the approved effective date of the disestablishment.

Requested effective date: Spring 2018

Briefly describe the rationale for disestablishment:
 We have replaced this degree with the Master of Sustainable Tourism (MST)

Impact on other existing programs:
 May include availability of course content for students in other majors who may need it; other.
 None, all the courses will still be taught in the MST.

Impact on current students:

Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

About 35 currently with last graduates in Spring 2019. This will have no effect on current students because all classes are still available in the MST. Students will be able to complete the MAS-ST or have the opportunity for a one-time move to the MST.

Applications:

What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program.

Applications are currently closed.

Current applicants:

Describe actions that will be taken regarding admitted students or students who have applied to this program? If current applicants should be moved to a new program, please indicate the plan code of that program.

Existing students will have the opportunity for a one-time move to the new program if they request it, the Master of Sustainable Tourism--PPSUSTMST. We will send a list to the Graduate College of the students to move. All others will be able to finish the MAS. All of the classes are still taught.

Additional information:

Provide any relevant information not required above that will assist in evaluating the proposal.
