PROPOSAL TO DISESTABLISH AN ACADEMIC PROGRAM (Degree, concentration, certificate, minor)

This template is to be used for proposed disestablishments included on the Academic Plan and for which the unit has received specific written approval from the Office of the University Provost to proceed with internal proposal development and review. This proposal template should be completed and submitted by the Dean’s Office to the Office of the University Provost [mailto: curriculumplanning@asu.edu]. The disestablishment may not be implemented until the Office of the University Provost notifies the academic unit that the disestablishment proposal has completed the approval process.

LAEASCERT

Implementation information: Degree Search is our official record of the academic catalog. Therefore, all academic programs which are active and have students enrolled are required to be listed on Degree Search. Upon request by the Dean's Office, an academic program can be removed from the undergraduate or graduate application; however, the program will remain in degree search with the notation “This program is no longer accepting applications,” until the approved effective date of the disestablishment.

Requested effective date: 2018-2019

Briefly describe the rationale for disestablishment:
The certificate in East Asian Studies duplicates what is offered by the certificate in Asian Studies; students can accomplish the same objectives and complete the same courses through the Asian Studies certificate, but the Asian Studies certificate offers even more course choices. In addition, both the East Asian Studies certificate and the Asian Studies certificate have had low enrollment, so maintaining only one of these two certificates reduces the administrative efforts needed.

Impact on other existing programs:
May include availability of course content for students in other majors who may need it; other.
None. The courses that were part of this certificate will continue to be offered.
Impact on current students:
Estimate number of students still enrolled; anticipated date of last graduates; arrangements for continuing students and students in articulated transfer pathways (e.g., MAPP, TAG).

There are no active students currently enrolled in LAEASCERT. There are no transfer pathways for certificate programs, so there should be no impact there. Any transfer student who was planning to pursue the East Asian Studies certificate will be able to pursue the Asian Studies certificate instead.

Applications:
What term should applications close? If this change should be made immediately upon approval, please indicate this. Please note that the program will remain on Degree Search until such a time that no students remain enrolled in the program.

immediately upon approval

Current applicants:
Describe actions that will be taken regarding admitted students or students who have applied to this program? If current applicants should be moved to a new program, please indicate the plan code of that program.

Any students already pursuing the East Asian Studies certificate program will be allowed to continue with their certificate (the courses will still be offered). New students wishing to pursue this program after it is disestablished should instead pursue the Asian Studies certificate (LAASNCERT), which allows them to complete the same coursework they would have taken for East Asian Studies, but is even more flexible in the courses that will count.

Additional information:
Provide any relevant information not required above that will assist in evaluating the proposal.
