Hello Dean Friedrich,

My name is Victoria Jackson and I am a sports historian and lecturer in the School of Historical, Philosophical, and Religious Studies in CLAS.

I am writing to request a letter of impact from your School of Humanities, Arts, and Cultures regarding our SHPRS certificate, "sports, cultures, and ethics." I sat in on the most recent CAPC meeting last week because the certificate is in its final stages of approval and to answer any questions concerning the certificate. I did not know about your School's Philosophy, Religion, and Society program and that the faculty would want to review our proposal. You will find it attached.

I did know about Jeffrey Kassing's and Lindsey Meân's excellent sport-related work, and, thanks to Jeff and Lindsey's understanding and willingness to join the effort, we've worked quickly to bring them in on our certificate team and include them and their courses in the proposal. I am CC'ing Jeff here if you have any questions for him. (Hi Jeff!)

Are you able to assist in our effort to obtain a letter of impact from the School of Humanities, Arts, and Cultures? I should also share that we are working on a relatively short timeline if this certificate is to move forward and become available for students in Fall 2019.

Thank you for your consideration.

Best,

Victoria
