

This template is to be used for proposed name changes included on the Academic Plan and for which the unit has received specific written approval from the Office of the University Provost to proceed with internal proposal development and review. A separate proposal must be submitted for each individual name change. The proposal template should be completed and submitted by the Dean's Office to the Office of the University Provost [mailto: curriculumplanning@asu.edu]. The name change **may not** be implemented until the Office of the University Provost notifies the academic unit that the name change proposal has completed the approval process.

HISEPCERT

Requested effective date: 2021-22

Select the catalog year for which students can begin applying into this program with the new name.

Note:

1. Name changes can only be implemented so as to be effective for a fall semester.
2. All existing and continuing students will be moved to the new name.
3. Students who complete the degree requirements prior to the fall effective date graduate under the old name.

Briefly describe the proposed change and rationale for the change:

Changing the certificate name will 1) Reflect the diversity of community-engaged practices across multiple disciplines and Herberger Institute schools (Socially Engaged Practice is a specific form of community-engaged practice used in the Visual Arts); 2) Address transformations across the arts and design industries such that the new name will be a solid value-add for student job placements; 3) Appeal to a larger student constituency in order to expand enrollment and support recruitment efforts; and, 4) Reflect the ASU Charter and further the Herberger Institute mission.

Discuss the impact of this change on current students and/or enrollment:

The name change will serve students across the Herberger Institute better while also clarifying the certificate focus, and grow enrollment.
