

This template is to be used to propose moving an academic program to another academic organization, or within its current academic organization. A separate proposal must be submitted for each individual academic program in order to change its academic organization. Proposals to move degree programs from one college/school to another must be pre-approved on the annual [Academic Plan](#) submitted to ABOR.

PROGRAM INFORMATION

Unit(s) within college/school responsible for Academic program (Academic ORG): School of International Letters and Cultures

Plan Description: Computer-Assisted Language Learning
Degree/Program Offered: Graduate Certificate
Plan Code: LACALLGRCT
CIP Code: 30.0000

Current Information:		Proposed Information

Description:	School of International Letters and Cultures	Description:	Department of English

Email/Phone:	bryansmith@asu.edu	Email/Phone:	bryansmith@asu.edu

Rationale for the proposed change:

The graduate certificate in Computer-Assisted Language Learning was developed jointly by one English faculty (Dr. Bryan Smith) and one School of International Letters and Cultures faculty (Dr. Andrew Ross). At present, Dr. Smith (English) is the College's only Computer-Assisted Language Learning expert and is now the sole director of the certificate. The Department of English has much improved computer facilities since their move two years ago. The move to English would better suit our students.
