Transformation and Change

This curricular proposal was removed from the CAPC agenda for further discussion.

Stephen Toth and Patricia Friedrich attended the meeting, and addressed questions raised by CAPC members ranging from the need for, and the name of this undergraduate certificate.

Dr. Friedrich commented that this certificate has a dual purpose and will exist like any other certificate. As a pilot program is attached to this certificate, there is no incentive for students to participate in the pilot program without some form of acknowledgement.

This certificate is open to all students.

After a lengthy discussion, a motion was made to table this curricular proposal until the April 1, 2021 CAPC meeting. New College will provide additional detailed information about this new undergraduate certificate.

A motion to table this proposal was made, seconded and approved by unanimous voice vote.

All remaining curricular proposals on the CAPC agenda were approved.

A motion to approve remaining curricular proposals on the CAPC agenda was made, **seconded**, and approved by **unanimous** vote.

5. Adjournment at 11:30 a.m.
