Financial Aid Timeline – View the timeline on a student’s My ASU Finances Page

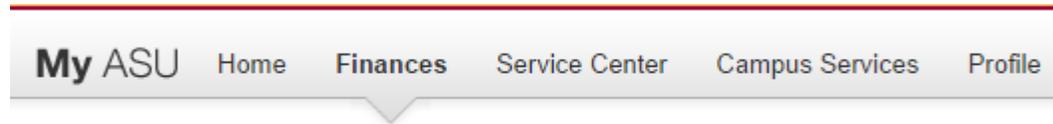

My Financial Aid Tracker

Submit a FAFSA	ASU should receive FAFSA information from the Department of Education within 3 to 5 days of submission
Complete Your File	Monitor My ASU for any Priority Action items. Please submit any document requests promptly to ensure timely processing
Eligibility Review and Award Notice	If no additional information is needed financial aid eligibility is reviewed and awards are posted. Awarding depends on time of year, with First Time Freshmen awarded in March, Continuing and Transfer students awarded in mid to late April, and Graduate students awarded beginning mid May
Act On Your Awards	Accept, decline or modify your awards based on financial need
Disbursement	Check Priority Actions to resolve any disbursement holds that may prevent funds from being received. If there are no disbursement holds funds will begin to disburse no sooner than 7 days prior to the start of school

## Accepting awards:

After logging in to My ASU with your ASURite and password, click on the “*Finances*” tab in the top tool bar.

In the “Financial Aid and Scholarships” box, you will see offered award types, amounts, and award status. To take action, click the “Accept/Decline” button

### Accept/Decline

Please review and acknowledge the following statements before submitting your award acceptance:

1. All financial aid recipients are required to read the financial aid section of the University Graduate or Undergraduate Catalog. Students are responsible for understanding the information provided. Information that is unclear should be brought to the attention of a financial assistance office representative at any campus.
2. General information is communicated to students through their student e-mail account, and financial aid information is communicated through their personal MyASU account. Students are responsible for reviewing this information. It is recommended that students review their accounts frequently for any updates.
3. Students are obligated to advise the Registrar's Office of any name, address, or phone number changes.
4. Financial aid recipients are required to notify the Student Financial Assistance Office (SFAO) of any scholarships, loans, book allowances, or other forms of assistance awarded to them from sources outside the SFAO.
5. The SFAO reserves the right, on behalf of the university, to review and cancel any award at any time because of changes in a student's financial status, academic status, or due to an awarding error. Changes reflected on MyASU will result in an e-mail to the student which serves as notification of the change.
6. Financial aid is awarded contingent upon maintaining Title IV Satisfactory Academic Progress (SAP). Please refer to our Financial Aid Policies Web site for details on SAP. <http://students.asu.edu/policies/financialaid>
7. Disbursement of a student's financial aid award (with the exception of Federal Work Study (FWS)) will be in the form of a direct credit to the student's ASU account.
8. Financial aid is initially awarded for full time enrollment and is pro-rated to actual enrollment where permissible. Should the student register for a different course load, the student must update his or her status either online at MyASU or by visiting the office. Costs and aid will be adjusted and email acknowledgment sent to the student.
9. It is the student's responsibility to ensure that his or her tuition is paid in full by the fee due date, either by financial aid, payment plan, cash, or other resources. Students can check their payment status via MyASU.
10. A student receiving federal financial aid earns his or her aid based on the number of days in which he or she attends class. A recipient who fully withdraws from ASU before 60 percent of the term is completed will have his or her aid recalculated based on the number of days attended. The unearned aid will be refunded to the appropriate federal financial aid program. A student earns Title IV funds in direct proportion to the length of term he or she is enrolled.
11. A student who fully withdraws from the university during the 100 percent refund period will be subject to a Title IV refund calculation that will determine the amount of aid the students must repay.
12. A student may be awarded employment under the Federal Work Study program (FWS). The amount of FWS aid shown on the award letter is the maximum amount of money the student can expect to earn during the academic year as a result of work performed. The student will only be paid for hours worked and obtaining work is contingent on finding campus employment. Work-study earnings are paid directly to the student on a bi-weekly basis via direct deposit or check.
13. Financial aid awards are made for one academic year only. One half of the award will be applied each semester. Students are responsible for applying annually. Renewal of aid depends upon the student maintaining Title IV Satisfactory Academic Progress, continued need for financial aid assistance, and the availability of funds. FAFSA applications submitted by March 1 of each year will receive priority consideration.
14. Students planning to attend two schools in the same semester should inform the SFAO and be sure to know the rules pertaining to this choice. In general, it is a violation of federal law to receive aid at two different schools during the same period of enrollment. A Consortium Agreement between the two schools is required for you to receive aid. You may receive financial aid from your home school only, that is the school at which you are pursuing your degree.
15. Students who are incarcerated in a state or federal correctional institution are not eligible for aid and are required by federal law to inform the SFAO of their incarceration.
16. The Department of Education sets annual and aggregate (i.e., lifetime) limits of the amount of debt a student can obtain from the federal government. The chart at <http://students.asu.edu/loans/staffordlimits> summarizes the current limits for the Federal Stafford Loan. It is your responsibility to monitor your federal loan limits. If you reach your undergraduate or total Federal Stafford Loan limits, you will not be eligible to receive additional Federal Stafford loans. If Student Financial Assistance determines you have exceeded your limit, we will reduce or cancel your Federal Stafford Loan, and if the loan has been disbursed to you, you will be billed for any amount disbursed beyond your allowable loan limit. Be sure to borrow only what you need for educational purposes and monitor your cumulative debt. You can review your student loan balances at the National Student Loan Data System [www.nslds.ed.gov](http://www.nslds.ed.gov). You will need your federal PIN to access your information.

 Click Yes to continue with the submit. Any changes made will be saved. Click No to cancel the submit.
