Re: Recommendations for Course Proposals (G - designation)

Recommend for Approval

From ASU:

CHI 430 **Readings in Chinese Religions** (new)

IDN 394 **Advanced Indonesian** (new)

From MCCCCD:

REL/WST 290 Women and World Religions (mandatory review)

Recommend for Revise/Resubmit

From ASU:

ASB 357 **Society, Drugs and Health** (new)

It is difficult to determine how much this course (instructional materials, course activities, assessments, and time) actually focuses on global studies/global aspects. Two of the three required texts clearly focus on the US. Some module components are identified that include case studies, videos concerning society, drug & health in other countries. Specifics are not listed in the syllabus and modules cannot be accessed.

Recommendation to provide additional information on assignments and global connections to determine that more than 50% of the course is global awareness.

From MCCCD: (none)
