**Re:** Recommendations for Course Proposals for SB Designation

### **Social-Behavioral Sciences (SB)**

#### **Recommend Approve**

---

The proposals for the APA courses are marginally developed and incomplete. However, the course content information in the proposals clearly demonstrates an alignment with the standards for SB approval. Further, APA 394 is a topics course and approval is being granted for only this topic. In the future, we will require more thoughtful and complete proposals for APA courses.

The MCCCDC course proposal is developed appropriately and the content meets the standards.
