Re: Recommendations for Course Proposals for Global (G) designation

### **Course Recommendations**

#### **Approve for G designation:**

##### **From ASU:**

CHI 194: Gateway to China

##### **Revise and Resubmit (new):**

SPA 385: Cinema and Culture of Spain

Rationale: Although it seemed like this course could meet the Global Awareness designation, information was limited. More explanation needs to be provided rather than just the information referred to in the syllabus. We need to know what students are actually doing that specifically contributes to the learning of the culture. There is a list of assignments in the syllabus, but we were not able to understand how an assignment connects to the designation. More detail needs to be provided.

##### **From MCCCD:**

#### **Approved for G designation: (mandatory review)**

SBU 200: Society and Business
