Re: Recommendations for Course Proposals for C designation

Course Recommendations

Approve for C designation

From ASU:

SPA 203 - Intermediate Spanish I for Bilinguals
SPA 204 - Intermediate Spanish II for Bilinguals

These proposals are well developed and effectively demonstrate the alignment of course elements with the required criteria. The alignment of learning outcomes, readings and assignments that demonstrate the criteria are clearly marked. The courses include a significant focus on the understanding and appreciation of cultural diversity within the US specifically focusing on the value of Hispanic/Latino groups, bilingualism, culture and language (Spanish).
