Re: Recommendations for Course Proposals (H designation)

### **Recommend for Approval**

---

From ASU:

- HST 394/VTS 302 Combat in Film (please verify HST course number)

From MCCCCD:

- IFS 213 Hacking and Open Source Cultures

### **Recommend for Revise/Resubmit**

---

From ASU:

- HST 302 Topic: Energy Transitions and Sustainability
  - It is unclear how the texts are fitting into the course. A breakdown of reading assignments would be helpful. The syllabus is very light on assignments and paper prompts, though portions can be gleaned from the checklist descriptions.
- HST/MCO/TGM 494 Sport and Globalization
  - The course is structured more as sports in history rather than sports as history. While there is some sense of movement in the discussion on the checklist, the syllabus lays out the course in what seem to be self-contained units (or perhaps over the course of a few classes). It is unclear how students will chart change over time in the history of sports as currently constructed.
