Re: Recommendations for Course Proposals for SB Designation

Social-Behavioral Sciences (SB)

Recommend Approve

The syllabi and proposals for both courses were developed and presented effectively. The courses and course work focus on human interactions using a variety of SB perspectives. Although the individual is the focus in BHS 155, the material and work clearly focus on individual's socio- behavioral interactions and SB influences on the individual.

Courses from ASU:

KOR/SLC 375: Intercultural Communication in Korea (new)

Courses from MCCC:

BHS 155: Professional Resiliency and Well Being (new)
