Re: Recommendations for Course Proposals for C designation

Course Recommendations

Approve for C designation

From ASU:

SPA 394 Topic: Spanish for Biomedical Sciences (new)
SPA 394 Topic: Healing Traditions of Latino-America (new)

The SPA 394 proposals are well developed and effectively demonstrate the alignment of course elements with the required criteria to meet the Cultural Diversity requirement. The alignment of the course content focusing on understanding cultural diversity within the U.S. is demonstrated through the course description, syllabus, course outlines and readings.

From MCCCCD: (none)

Deny for C designation

From ASU: (none)

From MCCCCD: (none)

Revise and Resubmit for C designation
