	Section	Check That:	Examples/Notes	Initial
1	All sections	No font or Adobe EchoSign or Adobe Certificate signatures were used on signed documents.	Original signatures preferred, JPG image is also acceptable.	
2	All sections	Dates are supplied where requested.	Signature lines almost always request that the signer also date the document. Make sure every letter has a date and that all forms have a date where requested.	
3	All sections	No blank pages in documents.	Blank pages cause confusion. We'll wonder if a page is missing.	
4	All sections	All pages in each document are accounted for.	Make sure pages are in correct order and none are missing.	
5	All sections	Page numbers are added as instructed in the following sections: curriculum vitae (line 26), personal statement, (line 29) teaching evidence (line 38), publications (line 46), supporting materials (line 52), and addendum (line 57).	Page numbers should be added to each individual PDF document before it is uploaded to RPT. All pages in these sections should have page numbers.	
6	All sections	All case file documents are PDFs.	Word or Excel documents must be converted to PDF before uploading to RPT. Confirm that the document displays correctly in the RPT case reader.	
7	All sections	No individual files within an internal section; each internal section is a single PDF.	Example: Confirmation of Teaching Evidence and all teaching evidence should be combined into one PDF (with bookmarks). Exception: Internal Letters section should contain individual PDFs.
