SkySong

SkySong, the ASU Scottsdale Innovation Center, is home to a diverse business community that links technology, research, education and entrepreneurship to position ASU and Greater Phoenix as global leaders in the knowledge economy.

Organized around a central plaza with a signature shade structure, SkySong is a 1.2 million-square-foot mixed-use development located on a 42-acre campus in Scottsdale. A joint venture among ASU, the City of Scottsdale, ASU Enterprise Partners and the Plaza Companies, SkySong is three miles from ASU's research-intensive Tempe campus and 15 minutes from Sky Harbor International Airport.
