An Evening with Jerry Bergonzi and Young Sounds of Arizona

Don't miss this exciting event as renowned tenor saxophonist Jerry Bergonzi joins Young Sounds of Arizona & special guests Dom Moio on drums, Nick Manson on piano & Chris Finet on bass for an exciting evening of swingin' jazz!

Accomplished tenor saxophonist, Jerry Bergonzi has a career that has spanned 4 decades and shows no sign of slowing down. After graduating from Lowell University he began freelancing in New York. He worked with Two Generations Of Brubeck and during 1979-82 toured the world as a member of the Dave Brubeck Quartet. He has done extensive club work in Boston as well as private teaching and has taught improvisation to instrumentalists and vocalists at the New England Conservatory of Music since 1995. For the past few decades, Bergonzi has played and recorded very regularly (particularly on the East Coast and in Europe), always creating innovative music that swings.
