# we are a hub for knowledge, research

helping practitioners, volunteers & philanthropists make informed decisions

## I want to...

- earn a degree
- enroll in professional development
- improve my leadership skills
- increase my organization's capacity
- read the latest nonprofit research
- view upcoming events
- ask a nonprofit specialist
- find/post a job
- read the LCNN newsletter
- submit a blog post
- use my Segal education award

### Grant Certificate courses begin in August!

The Grant Development & Proposal Writing Certificates will increase your confidence to secure grant funding by learning how to develop a conceptual framework for seeking grant funding that aligns with perspectives and priorities unique to each funder. Choose from two different levels!

The Lodestar Center Nonprofit News (LCNN) is the "go-to" electronic newsletter publication of the local nonprofit sector. Reaching thousands of readers on a bi-weekly basis, this resourceful newsletter will keep you up-to-date on the latest from the ASU Lodestar Center, as well as recent news from the nonprofit sector, community announcements, events and job listings. [Sign up and read our newsletter today!](#)

Save the date for our **Annual Nonprofit Conference on Sustainability Strategies!** This year's conference will be held at the Black Canyon Conference Center in Phoenix on **Wednesday, October 18th, 2017**. It will include a keynote presentation, dozens of workshops, panel discussion, lunch, and networking opportunities throughout the day.

Receive a **Nonprofit Management Certificate**, presented in part by **BeachFleischman PC**, through the Nonprofit Management Institute. Certificate is awarded after the completion of 8 courses, offered both online and in-person. Courses can be taken in any order. You decide how quickly you want to complete the program! Each course is \$300, or purchase all 8 courses for \$2150. There are [scholarships](#) available too!
