## Who we are

ASU's Mary Lou Fulton Teachers College creates knowledge, mobilizes people and takes action to improve education. Our faculty conduct research that has impact throughout the U.S. and the world. Our bachelor's degree programs prepare graduates to thrive as educators in schools and other learning environments. Through our graduate and professional programs, we empower leaders, including school principals, policymakers and scholars. We develop ideas, people and innovations that improve education for the greatest possible number of people.
