ASU convenes key players to advance

High-level dialogue

By being in Washington, D.C., ASU serves as a catalyst and a host of timely, leadership-level discourse between national decision-makers, opinion leaders, and ASU students, faculty and staff.

ASU helps to advance Arizona by serving as a

Resource for policymakers

ASU delivers expertise and cutting-edge ideas to national leaders and policy groups. The Office of National Policy Affairs represents ASU at the federal level and serves as the primary contact for Arizona's Congressional delegation in Washington, D.C., as well as local district offices in Arizona.

ASU collaborates with individuals and organizations to

Optimize innovative partnerships

Our partnerships with think tanks, federal research agencies, policy councils, nonprofit organizations, national associations and other colleges and universities comprise a focused effort to address society's most pressing challenges related to education, health, economic development, the environment, social justice and many other global issues.

All of these endeavors work to effect real and meaningful change using our presence in

D.C. as a platform to reach the world

Washington, D.C., is an international hub for key decision-making. Having a local presence there empowers ASU to bring its academic and discovery strengths to bear on the creation and application of new, transformative knowledge.
