ASU Health Services

ASU Health Services provides excellence in healthcare through personalized patient treatment.

[Visit the patient portal](#)

ASU Health Services is dedicated to the well-being and educational success of each individual student by providing high quality health care that is accessible, affordable, and compassionate.

Our more than 20 physicians and nurse practitioners are board-certified in emergency medicine, family medicine, gynecology, internal medicine, neurology, orthopedics, otolaryngology (ear, nose and throat), rheumatology, and sports medicine. In addition, [ASU Counseling Services](#) offers confidential, personal counseling, and crisis services for students experiencing emotional concerns, problems in adjusting, and other factors that affect their ability to achieve their academic and personal goals.

Health Services appointments can be scheduled [online](#), [in person](#) or by phone. For immediate concerns, walk-in appointments are available.

We offer on-site X-ray and lab service, in addition to acupuncture, massage, chiropractic care, and nutritional counseling from licensed wellness providers.

ASU Health Services has emerged as a leader in university healthcare and is nationally recognized as the first and only university to partner with the Mayo Clinic Care Network. ASU Health Services is also nationally accredited by the Accreditation Association of Ambulatory Health Care (AAAHC). Convenient locations are available on the [Downtown Phoenix](#), [Polytechnic](#), [Tempe](#), and [West](#) locations.

News and Events

Enroll today in the Aetna Student Health Insurance Plan for Spring Semester. The Student Health Insurance Plan offers many benefits including physical health, mental health and discounted vision care services. This special health plan provides greater benefits than many standard level insurance plans, such as low co-pays and low deductibles. It is affordable and specifically geared towards you as a college student. Enrolling is simple - sign up through My ASU, under the Campus Services tab. For more information, contact Health Services at 480-965-3349, or [view our insurance page.](#)

New Loyalty Point Program:

Our new loyalty rewards program for Wellness Services is now live! The rewards program provides you with the opportunity to earn points when using wellness care services, specifically massage, acupuncture, and chiropractic services. These points can later be redeemed for a free wellness service of your choice. For more information, please visit our [wellness care page.](#)
