

The Department of Facilities Planning and Management is now Facilities Management. As such, this manual title, formerly the *Department of Facilities Planning and Management Policies and Procedures Manual (FAC)*, has changed to the *Facilities Management Policies and Procedures Manual (FAC)*, and policies have been updated accordingly.

Table of Contents

Note: When you click on a policy number, the policy will display in a new window. The Table of Contents window will remain “behind” the policy window, so you can return to the Table of Contents to view other policies. PC users may wish to resize their browser windows or use their “Task Bar” to toggle between windows.
