**Disclaimers**

This is not a bill. This is only an estimate. All amounts shown here or in other university publications or Web pages represent tuition and fees as currently approved. However, Arizona State University reserves the right to increase or modify tuition and fees without prior notice, upon approval by the Arizona Board of Regents or as otherwise consistent with Board policy, and to make such modifications applicable to students enrolled at ASU at that time as well as to incoming students. In addition, all tuition amounts and fees are subject to change at any time for correction of errors. Finally, please note, that fee amounts billed for any period may be adjusted at a future date.
† Some programs charge differential or program specific tuition, which is in addition to the base tuition charged each semester a student enrolls. These fees will either be listed as a separate line item labeled Program Tuition, or will be automatically included in the base tuition rate. General tuition rates are available if you select "None/Not Listed" from the drop-down menu labeled Academic Programs with Differential or Program Tuition.

If you have questions or comments about tuition and fees, please contact the Student Accounts Office.

If you have questions or comments about financial aid and cost of attendance, please contact Student Financial Assistance.
