Chair:

Robert Atkinson, Computing Informatics and Decision Systems Engineering/Educational Leadership and Innovation
 Carol Johnston, Nutrition and Health Promotion

The committee assures the senior vice president for the Office of Knowledge Enterprise Development (OKED) adequate protection of human subjects' rights and welfare in accordance with federal guidelines by reviewing all research projects involving human subjects prior to the initiation of data collection and by monitoring as required. The committee is appointed by and responsible to the operations director of the Office of Knowledge Enterprise Development, who serves as the institutional official.
