Training and Development

ASU employees have many training and development opportunities, most of which are available here. Additional offerings may be available through alternative outlets as determined by hosting colleges, departments and university-sponsored organizations and associations.

To enroll in a course, you will use either the LMS, Blackboard or ASU Online. If the training or development course or class is not available in one of these systems, check the hosting department/college website for more information.

Learning Management System (LMS)	Blackboard	ASU Online
EH&S Safety Training UTO Training Professional Development - HR & Finance Every ASU staff member is eligible for at least 16 hours of professional development training each year. Need Help?
